Does your organization (aka: your school, church, soccer team, scout troop, etc.) already have a scrip program? If so, awesome! It will be easy to get you paired up with your organization. All you need to do is ask your organization's scrip coordinator for the enrollment code and you'll be on your way to creating your free ShopWithScrip account. Once you have the code, click the button below.

3. Enter the Enrollment Code for our Organization. Please contact Jeff Aldridge for the code. (Contact information below.) It will then ask you for your Username to use for future login, a password, your name and demographic info, your Student's name, as well as email and security questions. Please be sure to enter your Student's First and Last name to ensure your rebates are put in the correct Parent account.
4. Place your online order and pay via PrestoPay (preferred method of payment). It only takes a minute to set up. If you need to write a check rather than use PrestoPay, trade me your check for your gift cards the following week when we meet. There is a lot of information on this site concerning the PrestoPay and ScripNow programs. I encourage you to check it out!

Both physical (plastic) gift cards and online gift cards can be ordered. I will place orders for physical gift cards around the first of every month. Please check the band's Facebook page for reminders. When I receive the physical gift cards, I will contact you to arrange gift card delivery. Either my wife (Amanda Aldridge) or I are in New Palestine almost every day, so we can either drop it off at your house or meet you somewhere for the exchange. If you're not using PrestoPay, please bring checks at the time of delivery.

If you don't have online access to ShopWithScrip, you can complete an order using our paper forms. Please contact me for the paper forms. Just be sure I know the student name to post rebates to and how I can reach you.

Please feel free to contact me if you have questions, I'm happy to help you get started.
