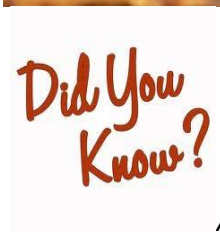
ISSMA Open Invitational

WE ARE DRAGONS

ACCOUNTABLE · RESPECTFUL · ENGAGED

Goals for this week:

1. **Full show!**
2. **Respectful group**
3. **CLEAAAAAN!**
4. **Gold rating**



At one point, Whiteland High School was much smaller than New Palestine. In the late 90's and early 00's, Whiteland was a small class C school in ISSMA classifications, with only 100-125 students in each graduating class!

Please take the time to read through our New Palestine show day checklist. There is a lot of great information there that has been compiled over the last decade!
